EP Petitions Portal - Petition request submitted

An tilman@aspie21.de

Dear,

Thank you for submitting a new petition on the European Parliament's Petitions Portal!

Your petition will now be processed by the European Parliament. Please be advised that this may take some time as the process consists of several phases. In most cases, the Secretariat of the Committee on Petitions will produce a summary of your petition, which will be translated into all the official languages of the European Union. This summary will appear on the Petitions Portal as soon as the Committee has reached a decision on the admissibility of your petition. You will be notified of this decision in writing.

This e-mail was sent automatically by the European Parliament's Petitions Portal.
